

# BRITE ENERGY INNOVATORS PRESENTS THE

# 2020

# BRITEhack

January 31st, 2020

## About BRITEhack

BRITEhack is an event where people come together to build solutions and solve problems around a common theme. In its inaugural year, the proposed solutions from five teams totalling 25 engineers saved the City of Warren's Wastewater Department \$400,000 - amounting to more than 10 years in energy savings.

## Partnership Levels
