Fact Sheet

Organization

BRITE Energy Innovators is powering the future of energy across the State of Ohio. As the state's only energy incubator, we have assisted over 480 New Energy tech startups with mentorship, funding assistance and over \$200 million in investor connections. We empower founders to launch energy technology solutions. By fusing experienced entrepreneurs in residence, advanced equipment in the BRITE Energy Labs and community coworking spaces in Warren, we're creating opportunities for all Ohioans.
