Fact Sheet

Organization

BRITE Energy Innovators is powering the future of energy across the State of Ohio. As the state's only energy incubator, we have assisted more than 600 New Energy tech startups with mentorship, funding assistance and over \$230 million in investor connections. We empower founders to launch energy technology solutions. By fusing talented experts in residence, advanced equipment in the BRITE Energy Labs and community coworking spaces in Warren, we're creating opportunities for all Ohioans.

125 W Market Street Warren, Ohio 44481

Located in Courthouse Square, downtown Warren, Ohio at the site of a former Kresge's Department Store.
